Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years. This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships**

A visionary, no doubt, and determined to put all your dreams to work and make them real. You are always looking at the big picture. Others tend to feel you have an almost stark vision of reality and a sense of the future -- of how it will someday be. You play no favorites and are committed. You wonder whether your deep commitment to humanitarian goals may preclude something so personal as a relationship, real love. Yet you need the bond of love and family, and are drawn to warm, effusive, and even vain types -- those with a real sense of themselves, gregarious and playful. A penchant for the artistic and self-absorbed. You love to bring them out and educate them to the demands of the real world.

Leo on 7th Cusp

You like someone you can feel pride in, who is very self- expressive and has a commanding presence. You tend toward warm and outgoing types, and there is always a sense of the healthy and good about any of your partners. Kind of a storybook hero.

Sun Ruler of 7th

Report for Ellen Pompeo (Meredith)

Strengths in your relationships

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

Moon Conjunction Neptune (orb: 00 27')

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

Moon Sextile Pluto (orb: 01 47')

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

Mars Trine Uranus (orb: 02 45')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Sun Conjunction Mercury (orb: 03 21')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Sextile Mars (orb: 05 46')

Good things tend to come your way, and you could end up with a lot of money, property -- possessions of all kinds. You are by nature generous, and probably give as much as you get. There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your warmth and openness. You are quite fortunate.

Venus Conjunction Jupiter (orb: 06 48')

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

Mars Trine Pluto (orb: 07 33')

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

Sun Conjunction Neptune (orb: 09 55')

Report for Ellen Pompeo (Meredith) Challenges in your relationships

You may have difficulty expressing your feelings, with the result that tension accumulates to the boiling point. You may get the feeling sometimes that situations and other people unite to repress you, to hold you back. You probably have had some really harsh experiences, hard feelings. You feel you must push and strain to get anywhere at all. You would do well with a partner who can help you through the process of getting your feelings out without exploding.

Mars Square Saturn (orb: 00 12')

There is a tendency to be somewhat taciturn and reserved; perhaps a little too prudent. You have a fear of letting go that may manifest as an apparent lack of emotion. You don't always like what you are feeling, or own up to it. You are probably not an animal lover.

Venus Square Mars (orb: 04 15')

You find yourself hampered by authority and elders. Too many rules and regulations may inhibit or put a damper on what your heart feels like doing. You may procrastinate and put off attending to the necessities, with the result that duties tend to pile up. You might be somewhat defensive about expressing your real likes and dislikes for fear of being criticized or cut down. You don't always play by the rules.

Venus Opposition Saturn (orb: 04 27')

Report for Ellen Pompeo (Meredith) Your Relationship with Patrick Dempsey (Derek)

There is almost a sense of mystery about your relationship with Patrick Dempsey. You cannot hide things from him, so there are no formalities when you are around him. You feel exposed. The whole thing has a magnetic sexual quality to it which both of you support. You tend to feed on this arrangement, with the result that the experience is strengthening and supportive. Aside from this you may be involved in some kind of financial partnership. He might act as your agent, or as a go-between.

His Moon in Your Eighth House

You may not be famous for your willingness to sacrifice, but if anyone can get you into this mode, it is Patrick Dempsey. He has a way of encouraging you to let go of a whole lot of small grievances that you have hung onto in the past. Somehow it's very clear when you're with him that they are not worth the hassle. He really helps to separate the wheat from the chaff in your character. You get the feeling that you are about to be a lot better person. It's not a totally unattractive feeling.

His Sun in Your Twelfth House

You probably have some very unusual communication with Patrick Dempsey. He is not afraid to speak about spiritual ideas and does not draw the line at just talking. You may find yourself examining your actions and motives when you are with him. You come away with a feeling that you need to give more of yourself, be more long-suffering, put up with more. He tends to bring out a self-sacrificing quality in you. You find yourself letting go of the unessential and frivolous, choosing the moral and the good. It's not the worst thing that could happen.

His Mercury in Your Twelfth House

You find him absolutely charming, partly because you know that he really appreciates you. This was true from the first time you met. You have the sense that here is someone who likes you for the same reasons that you like yourself. You can almost do no wrong. You share many of the same values, like the same kind of things, and enjoy each other's company.

His Venus in Your First House

Patrick Dempsey is nothing else if not stimulating, and he may be downright challenging or irritating at times. It all depends on what mood you're in. If you need a boost, a little competition, then he is tailor-made for the job. If things are already hectic, then you may not enjoy the ride. There is the potential here for a good sexual relationship too.

His Mars in Your First House

Patrick Dempsey tends to lead you out of yourself, and urges you to make greater efforts, to reach out and express yourself. You may overdo. Certainly he is a key person as regarding how you view and feel about yourself. Through him you have come to experience more confidence and happiness. You are proud to be with him and, most of all, he is just fun to be with. Children and animals are two things you share. There may be a tendency to spend all at once. You feel creative and artistic around him.

His Jupiter in Your Fifth House

A more serious relationship than others. There could be almost a parental tone, for he can't help but function as an authority figure of one sort or another. You may feel that he is a party pooper, tends to stifle how you come across, and puts restrictions on you. There is sure to be a strong effect when the two of you get together. At the very least, he will serve to temper and shape your approach to life. A good tie if you need discipline.

His Saturn in Your First House

You may have met in an unusual, unexpected way. There is always this sense that he may vanish as quickly as he appeared. You never are quite sure what he is about to do next. There is a strong possibility that Patrick Dempsey was a key to introducing you to new people or a new crowd. Time spent together is fun and filled with a sense of adventure and discovery. He is good at sharing new ways to approach people and relationships.

His Uranus in Your Seventh House

Here is someone with whom you share a broad and far-reaching vision. Together the two of you are transported by late- night discussions and common dreams. He brings out the eloquent in you, and when you are with him you sense that you are part prophet and visionary. Your religious and philosophical ideas are in fine tune. There is a very heady kind of romance here.

His Neptune in Your Ninth House

Patrick Dempsey's influence could revolutionize the way you relate to other people -- your social life. You have found yourself re-examining ideas of marriage, social values, and relationships. He seems to exercise a strange power over you, and this was true from the very first time you met him. You may find yourself wanting to hide this relationship because you feel exposed. He is almost too personal at times. Knowing him amounts to a crash course in facing yourself.

His Pluto in Your Seventh House

Your Mercury Conjunction His Neptune (orb: 06 58')

Aside from any romance, this could result in a sound business relationship. You value Patrick Dempsey's judgment and, more often than not, tend to let him act as your guide in matters of career and direction. He knows you appreciate his abilities, and this combination should be an enduring one.

Your Venus Trine His Jupiter (orb: 07 02')

This is about as close to a mutual admiration society as any two are likely to get. Patrick Dempsey is very supportive of your values and ideals. You might even feed on this. You have always felt simple admiration and love for him. You just like the way he feels.

Your Venus Conjunction His Moon (orb: 08 31')

Report for Ellen Pompeo (Meredith) Challenges in your relationship with Patrick Dempsey (Derek)

You may tend to ignore Patrick Dempsey's feelings, resulting in arguments and clashes of wills. Your relationship tends to run hot and cold, but when you're hot you are very hot. There may be some hard feelings between you.

Your Sun Square His Mars (orb: 01 14')

Harsh words and arguments may not be uncommon. He tends to irritate and get pushy, with the result that you may get sharply critical and say more than you intended. Your analysis of his feelings may drive him a little crazy.

Your Mercury Square His Mars (orb: 02 07')

He doesn't appreciate the way your mind works. Your words are wasted on him. You may find yourself being mentally critical of his ideals and sense of values. He doesn't like the way you think.

Your Venus Square His Sun (orb: 06 57')

Report for Patrick Dempsey (Derek) How You Approach Relationships

You are so dependable, deliberate, and down-to-earth. You wouldn't think of living without plenty of security and your share of material success. Who could guess that you would be so daring when it comes to relationships? That you could reach out for, and get, what others don't dare dream of having. You like partners who are ever so intense, commanding, and very secretive. Their love of secrecy, power plays, and intrigue keeps you always fascinated and involved. How could such a relationship endure? But the funny thing is that they do.

Scorpio on 7th Cusp

You like partners who are intense, passionate, and confrontational. You depend on your relationships to keep you honest and down-to-earth. Your friends may find that your lovers tend to put you through a lot of changes. There is no such thing for you as a casual or trivial affair. You like it hot, revealing, and sexy.

Pluto Ruler of 7th

If there is one area of your life where you really let yourself go, it's relationships. For you, there is none of this 9-to-5 stuff when it comes to love. You want your love life full of dreams and very imaginative. You have a calming effect on your social group, which tends to include friends capable of joining you in your high flights of fancy. Need we say that you are a dreamer, and by the same token you might slip into gullibility and lose more than one possible partner through woolly-mindedness on your part. Not everyone is as out-of-this-world as you are. You love to take in a movie with friends and lose yourself in unusual conversation. You are drawn to film, theatre, and fantasy, as well as the occult.

Neptune in 7th House

Report for Patrick Dempsey (Derek) Strengths in your relationships

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

Sun Sextile Neptune (orb: 01 20')

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Trine Jupiter (orb: 01 28')

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You appreciate independence and originality in others, especially in a partner, and may tend to have unusual friends who are very likely male. You like to keep things spontaneous.

Sun Trine Uranus (orb: 03 37')

A born lover. You feel right at home with your emotions, and others can't help but remark at your bright, cheery attitude. People like to be around you because you are very expressive and always quick to reveal when you like someone or something. You seldom hide what you are feeling. A love relationship is a real necessity for you and you seldom are without one. You are at home with your sexuality.

Venus Conjunction Mars (orb: 04 25')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Trine Mars (orb: 04 36')

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done

more than your share of studying. So serious.

Mercury Sextile Saturn (orb: 04 42')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Trine Pluto (orb: 04 45')

You really know how to pace yourself and seldom waste a moment or a move. It would be difficult for you not to be a success at anything you choose to do. Career problems seldom last long or prove very difficult. Others remark on your creative energy, great drive, and the fact that you never seem to let up. It all runs so smoothly. You may be moved to work with the law, publishing, education -- any field where you have an opportunity to guide and educate others.

Mars Trine Jupiter (orb: 06 05')

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

Moon Trine Venus (orb: 09 01')

Report for Patrick Dempsey (Derek) Challenges in your relationships

You are torn between the impulse to stand on your own feet, and a need to be cared for and nurtured. Your independent streak may be ashamed of the need on your part for love and affection. It's a no win situation. This could also be re-enforced by a mother and father who may have worked at cross purposes. The resulting tension will have to be dealt with gradually and methodically.

Moon Square Sun (orb: 01 34')

You sometimes have trouble distinguishing between your dreams of life and the actual reality. Or you lack the discipline to make those dreams real, to work to make reality be as you always dreamed it could be. This could lead to unreasonable expectations of other people, especially your lover. A tendency to daydream finds you with a number of false starts. You are easily distracted and have difficulty carrying things through to the finish. You may worry about being deceived by others.

Mars Square Neptune (orb: 04 50')

Report for Patrick Dempsey (Derek) Your Relationship with Ellen Pompeo (Meredith)

The two of you may work together in the public eye. From the very first, you saw that she was a natural complement, and you knew that you could always count on her support. You might actually form some kind of business partnership. She seems to respond to your every mood. There is real harmony between the two of you. Others could come to depend on your relationship for reasons of their own.

Her Moon in Your Seventh House

This is a true partnership -- real marriage material. When you first met Ellen Pompeo, you got the message as to what marriage and partners are really all about. Perhaps for the first time you experienced what it is like to totally respond to another person. All you wanted to do was to love and care for her. Bells rang, and all of that. It had the potential for being a real initiation, a coming together. You are ready to work to keep this love together.

Her Sun in Your Seventh House

When the two of you get together for an intensive talk session, watch out. You love to discuss the details of work and matters relating to your health, self-improvement, and general well-being. She brings out ideas on how to improve and care for yourself. On the down side, both of you can slip into a very critical vein, especially of others. You may find yourself working together in some editorial or managerial capacity.

Her Mercury in Your Sixth House

She appreciates your sense of duty and concern for others. Time spent together tends to enhance these qualities in you. You may not have known how much you care about life and other people before you met. You find yourself taking better care of yourself, by attending to the details and odds & ends of your life. She values you for your more conservative qualities and tends to see you as painstaking and particular when it comes to attending to details.

Her Venus in Your Sixth House

Ellen Pompeo is on a one-person campaign to bolster your career and public image. She seems to know which way you are headed and wants to give you a boost in that direction. She is very ambitious when it comes to your career and is always pushing to improve your prospects. Although this can be tiresome, and you may not always be in the mood for improvement, it is mostly beneficial. She really does know what she is doing.

Her Mars in Your Tenth House

You love to work together. Ellen Pompeo has a knack for getting you involved and feeling more responsible. She may introduce you to many new ideas concerning food, health, exercise -- new-age ideas. You may have found yourself caring more about other people and about all of life when you are with her. You have become more self-sufficient through knowing her. She may influence your work situation too, especially in how you get along with subordinates.

Her Jupiter in Your Sixth House

She seems to be very hard on your sense of altruism. Your attempts to be charitable or to sacrifice may be played down or belittled by her. She won't tolerate your feeling sorry for

yourself or for the state of the world. It could be difficult for you to feel philanthropic or kind when the two of you are together.

Her Saturn in Your Twelfth House

She may view work in a very unconventional manner, preferring to work odd hours or in a different manner when it comes to working for others. Ellen Pompeo always manages to find different ways to approach routine subjects. This could include alternate or new-age methods of eating, health care, exercise, and the like. She can do detail work, and is a responsible friend, but not in a 9-to-5 sort of way. She can be ever so inventive and labor-saving when it means finding an alternative to tedium and routine.

Her Uranus in Your Sixth House

She exerts a powerful dreamy influence over you which could appear as a perfect union. There is no doubt that the two of you may run around together in a kind of trance. Your social life may have all of the attributes of an award-winning movie. Your friends may feel that you are the perfect couple. Chances are you will wait for a clear day to see if what you have will last. Dancing, late nights, bright lights, big cities are in order.

Her Neptune in Your Seventh House

She exerts a powerful influence on your habits, especially when it comes to self-improvement. She may revolutionize your ideas of eating, health, exercise, and taking care of yourself. You may find that your work habits change through knowing her and that you are more aware of subordinates than you were. All of this is not likely to be a tranquil change. She is almost ruthless when it comes to revealing your weak spots and urging you to do something about it. All in all, this could be a very valuable experience.

Her Pluto in Your Sixth House
