

My Psychic Interview

Psychic Realizations

- Describe how you first realized that you had psychic abilities.
- Why is being a psychic so important to you?
- Describe your journey into the psychic world.

Psychic Abilities

- What spiritual skills do you have?
- Please share any thoughts you have about psychic being a special ability.
- How have your abilities changed over time as your own wisdom increased?
- What are your thoughts around everybody having a certain degree of psychic power?
- What are your personal spiritual views regarding the psychic realm?

Significant Psychic Experiences

- Please share your most noteworthy personal metaphysical experience.

Public Reaction to Psychics

- When do you avoid telling people that you're psychic?
- When do you like to be very open about being a psychic?
- What do you most want the public to know about you?

Star Signs

- What star sign are you?
- What makes you typical of your star sign?

Psychic Consultations

- What is your general approach when you read for people?
- What can you share about your most fascinating reading to date?
- What do you most want people to know about your services?
- How should new clients connect with you? (Website/Phone/Location/Email)

Please feel free to enhance this with answers to any questions you think could be added to the list.

Use this interview questionnaire to publish your perspective on the psychic realm and on being who you are as a practicing psychic, intuitive, tarot reader, astrologer, or medium.
